IN THIS ISSUE

Television & Movie Month

218

PREVIEWS THEME: MOVIES & TV MONTH 2024!

Each year, we celebrate *Movie & TV Month* in **PREVIEWS**, usually just as the Summer is getting underway... and it IS the best season for the kinds of movies and television we, as fans, love most! To get us all primed for another Summer of blockbusters and surprise hits, and new episodes of our favorite genre TV series, we've gathered a selection of media-based comics and graphic novels for your reading enjoyment! There are movie adaptations and continuations, and original stories based on some of our movie favorites and TV shows. So, pop some corn, pour yourself a beverage of your choice, and get ready to go to the Movies... or more appropriately, your sofa, for movie and TV Comics! And for more *Movie & TV Month* approved titles (and Merchandise!), just look for the icon throughout this issue!

MAY THE FORCE (AND THE 4TH) BE WITH YOU!

The month of May has long been a gateway to not only the summer season, but the summer blockbuster season at the movies. One of the most famous May releases was 1977's *Star Wars*. Released on May 25th, George Lucas' space opera mined the classic tropes of cinema, comics, Sunday funnies, mythology and literature to create a galaxy of adventure that was familiar yet new to audiences. After that day, nothing would be the same again. *Star Wars* fandom (and Lucasfilm themselves) have embraced the pun-based "May the 4th Be With You" as the official "Star Wars Day", but it'll always be May 25th to me. Get off my lawn, younglings!

FREE COMIC BOOK DAY
May 4, 2024

Speaking of May the 4th, it also happens to be FREE COMIC BOOK DAY. Depending on when you picked up this issue, you're either a week or way, or already grabbed your free comics on the 4th. It's a good batch this year, and I'm looking forward to *Jonny Quest*, *Doctor Who* and yes, *Star Wars*! If you still have time, and haven't done so, please head over to page 31 and check out the FCBD section.

Elsewhere in this issue, we've made some changes to our Merchandise section to make it more accessible and more streamlined. We've created a section that features new items alongside previously released re-offers, categorized in sections like Models Kits, Die-Casts, Plush, Horror, Comics, DC Heroes, and more. It's tighter, more informative, and up-to-date. It all starts after our sister company Diamond Select Toys & Collectibles' section (page M-14), and Funko's section (page M-30), on page M-34! And for the newest items

in **PREVIEWS**, look for the "PREVIEWS Debut" icon—these items are making their first appearance in the pages of **PREVIEWS**, and have not been offered previously to your local retailers. They're making their first appearance in the catalog!

Our theme this month is **MOVIES & TV**, and it's a perfect fit for the month of May! Inside this issue, we're highlighting comics, graphic novels, books and merchandise based on or the inspiration for the movies and TV shows we all know and love! These days, the lines between print and video are becoming less blurry, as both sides find material to

build upon the stories developed in the other's field. It's a great time for the fans, whose interests lie between both sides!

Finally, if you've been following the saga of **THE GUNHAND** — my Horror-Western comic series from American Mythology, written by me, and illustrated by the great Matthew Plog—then you know it's been a bumpy ride getting it from script to store shelves. Well, the wait is over. On Wednesday, May 15th, *The GunHAND* #1 hits comic shops everywhere. So if you're so inclined, head to your local shop and grab a copy! We have four different covers, including one by the great Kelley Jones of Batman and Sandman fame!

That's all for this month! Thanks for dropping by and checking out all of the cool stuff we'll be dropping in comic shops this summer and beyond.

Your Pal @ **PREVIEWS**.

Hake's Premier Auction Totals \$2.5 Million

Hake's spring auction of pop culture and historical memorabilia realized \$2.5 million in sales. The auction's top sale was the rare Aurora Superman and Spider-Man store two-pack factory sealed boxed model kit pair that sold for a record \$54,516. The 1860 "For President Abram Lincoln for Vice President Hannibal Hamlin" parade flag led historical items at \$42,185.

Highlights included the Palitoy *Return of the Jedi* General Madine Tri-Logo 70-back-B AFA 60 for \$42,242, the *Star Wars* Jawa 12-back-A AFA 85+ (vinyl cape) for \$36,603, the very rare Aurora Godzilla's Go Cart unused boxed model kit for \$36,344, a 1910 Baltimore News Orioles (Eastern League) Jack Dunn card CGC 1 for \$28,556, *Magic: The Gathering - Legends* edition sealed booster box for \$26,089, and the Masters of the Universe Eternia Series 5 Playset AFA 80 first release "new" box for \$23,273.

Len Brown's Impact on Mars Attacks

In addition to co-creating the *T.H.U.N.D.E.R. Agents* with artist Wally Wood and having T.H.U.N.D.E.R. Agent Dynamo's alter ego named after him, did you know that writer Len Brown had earlier played a major role in the development of *Mars Attacks*?

While working at Topps in 1962, Brown was inspired by Wood's now-classic cover for EC's *Weird Science* #16 and pitched the idea of *Mars Attacks* to department head Woody Gelman. Bob Powell provided the pencil art, and Norman Saunders painted the now-highly collectible original 55-card set. The project would, of course, go on to inspire comic books and the 1996 feature film.

KIRBY & LEE:

STUF'
SAID!

EDGE ESSENTIALS

Pick up these books to learn more about John's *Indie Edge* style!

- Jack Kirby Collector #90 (JAN242000)
- American Comic Book Chronicles: 1945-1949 HC (MAR238134)
- Cryptology Magazine #1 (Coming This Fall)

Please tell us a bit about yourself!

I'm John Morrow, TwoMorrows Publishing's publisher (my wife Pam is the other "Morrow"), and editor of the *Jack Kirby Collector* magazine, which launched my company with its first issue back in 1994. I'm, of course, a longtime Jack Kirby fan, but a lover of many of the great comic creators and series from the 1960s to today, as you'd expect seeing all our comics history magazines like *Alter Ego*, *Back Issue*, and *Comic Book Creator*. Our two little Morrows are both grown and in college now, but those daughters have thoroughly enjoyed getting to hang out at

Comic-Con International and enjoying the West Coast almost every summer of their lives. It's hard to believe I started TwoMorrows 30 years ago with a little photocopied Jack Kirby fanzine...

What are your favorite projects you've contributed to over the past decade?

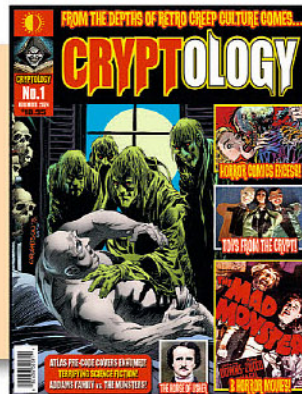

I may be most proud of my book *Kirby & Lee: Stuff Said* (*Jack Kirby Collector* #75 / MAY192003), which for the first time examined both Jack and Stan's own comments about their working relationship, put in chronological order to help us more fully understand how things progressed in the creation of the 1960s Marvel Universe, and eventually deteriorated between them. Another is *The Best of Simon & Kirby's Mainline Comics* (APR231905), which collects fully restored stories from Joe Simon and Jack Kirby's own company Mainline Comics of the late 1950s. Few people have seen those comics, and the anti-comics crusade and the Comics Code killed their company before it had a chance to succeed.

What are you currently working on?

I'm wrapping up my 30th anniversary issue of the *Jack Kirby Collector* (#91), and we're about to launch our newest magazine, *Cryptology* (all about retro-horror) in October. We're also finalizing the 1945-49 volume of our *American Comic Book Chronicles* series to ship this summer, which will complete the set, covering comics history from the 1940s to 1990s. And our retro-pop culture magazine *RetroFan* continues to be a blast to produce, as well as our recent series of pop culture books.

What fun titles are you reading?

I don't read many floppies these days, but I love Dark Horse's *EC Archives*; they're a great way to introduce today's readers to that classic material, while keeping it affordable. You can't reprint EC enough, as far as I'm concerned. And I'm intrigued to see what Oni Press' new EC-style titles *Epitaphs from the Abyss* and *Cruel Universe* are like when they debut this summer. Also, Fantagraphics' *Atlas Comics Library* series is fantastic. Michael "Doc V" Vassallo is doing an outstanding job shepherding this project. I recently read their *Atlas Artist Edition #1* featuring Joe Maneely (SEP231701), who is an under-appreciated genius of comics.

USER'S GUIDE

There's a *lot* of awesome comics and products to look through in **PREVIEWS**. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use **PREVIEWS** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS PREVIEWS?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log!*) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—**PREVIEWS** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.

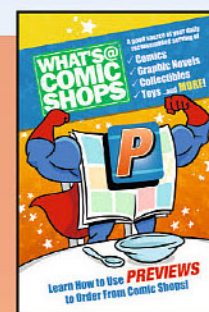

The most important aspect of **PREVIEWS** to remember is that items solicited in the catalog are anticipated to ship 2-3 months later (or more). For example, if you found a comic you wanted in the May issue of **PREVIEWS**, you can expect to see

it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM PREVIEWS?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of **PREVIEWS** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask

your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

BLADE RUNNER: TOKYO NEXUS #1

COVER A:
CHRISTIAN WARD

This July, Titan's award-winning Blade Runner comics line launches into an exciting new series with **BLADE RUNNER: TOKYO NEXUS #1**. Tokyo 2015: Two Kalanthia survivors fight for their lives in a world where Blade Runners are the least of their problems.

We chatted to writer **Kianna Shore** and Blade Runner editor, **David Leach** about what fans can expect.

KIANNA SHORE *WRITER, BLADE RUNNER: TOKYO NEXUS*
DAVID LEACH *EDITOR, BLADE RUNNER COMICS*

What does the Blade Runner franchise mean to you?

Kianna: I had to watch and analyze Blade Runner and Blade Runner 2049 in my film history class at UCLA, so writing a series for the Blade Runner franchise is a mindblowing opportunity. The Blade Runner franchise is incredibly interesting as one of the foundational texts of sci-fi and cyberpunk. It explores the hopes and fears of its era and provides a dynamic playground to examine our current society. I'm so excited to share my Blade Runner story with the world!

David: I first saw Blade Runner at a special advance screening back in 1982, it was the first public UK screening and was so over-subscribed that all three screens of the cinema had to be used to avoid a riot. I can remember all the hairs on my arms stood up and a shiver ran up my spine as that fireball reflected in Holden's eye. I stumbled out of the cinema two hours later and felt as if I'd experienced an epiphany. So, the opportunity to work on Blade Runner franchise felt like a fantastic honor and a dream come true.

How does Blade Runner: Tokyo Nexus add to the lore of the Blade Runner Universe?

Kianna: We will explore a Japan that differs greatly from the original 1980's imagery and a futuristic Tokyo that is influenced by modern Japanese media and fears in a post-2011 Tōhoku disaster world. Rather than wondering who is human, we will explore the very human acceptance (or rejection) of mortality. There will be the fast thrills and elaborate fight scenes that are expected in Blade Runner, but also some moments that might surprise you.

David: We followed the exploits of Ash over 30 years in Los Angeles but glimpsed very little of the world of Blade Runner beyond. Tokyo Nexus gives us the chance to explore that world from a completely new location and with a whole new set of characters.

Blade Runner: Tokyo Nexus features the shadowy Tyrell corporation. What role does the company play in this series?

Kianna: It wouldn't be Blade Runner without Tyrell! The Tyrell

Corporation has an ominous and haunting presence throughout Tokyo Nexus, even when a blade runner isn't physically on the page. Their far-reaching capitalistic power and influence can be felt throughout the story. The Tyrell Corporation is the main reason our heroes are hiding in Tokyo, after all.

David: Tyrell Corp will play a significant role in this new saga, and we'll get to see a side of it not seen before. However, to say more than that would be a spoiler!

Like any good story, Blade Runner: Tokyo Nexus stars a group of underdogs – two outsiders who no longer have the option of hiding from Tyrell. What can you tell us about these characters?

Kianna: We follow the story of two fugitives hiding in Tokyo, Japan: Stix, an optimistic Replicant with his time slipping away, and Mead, a stoic ex-soldier who can't live without him. The two outsiders find themselves entangled in a missing person's case. However, the threads between the pair quickly unravel as they realize the case isn't as cut and dry as it seemed.

HELLO
DARKNESS

PREPARE FOR THE NEW FACE OF HORROR.

Whether just beyond the light of fading wildfire embers, or a paralyzing presence peering through the crack in a bedroom wall, the darkness will always find us. Through stories as phantasmal as they are timely, *Hello Darkness* is a gravely abrasive look at our 21st Century dystopia. As we turn off the lights at night, the primal ghouls-our ancestral anxieties-are always lingering nearby.

The cold onslaught of technology, the lonely nature of contemporary life, and the monstrous beast of impending nuclear war all await within, joined arm-in-arm with the supernatural unknown. This modern horror anthology showcases the most disturbing tales from comics' greatest storytellers, unlike anything that's haunted you before-urging you to check beneath the bed, peek behind the shower curtain, or simply gaze with quivering lips into the umbral underbelly of the human psyche.

Darkness is knocking at the door, **will you answer?**

A LOOK AHEAD AT THE NIGHTMARES TO COME...

Fresh YA Horror From R.L. Stine
For Fans of *Wednesday*!

Graves End is as sleepy a town as they come... especially being surrounded by cemeteries, and the local kids could think of nowhere else they'd rather wreak harmless havoc. But being surrounded by cemeteries comes with the pervasive reminder that... there are more dead than there are living.

This town is an endlessly eerie place with no shortage of strange happenings, and when high schooler Parker West pulls what seems like a harmless prank, he may be putting his friends in more danger than he can imagine...

Legendary author **R.L. Stine** (*Goosebumps*, *Fear Street*, *Stuff of Nightmares*) and rising star artist **Carola Borelli** (*Spider-Woman*, *The Deadliest Bouquet*) launch a coming-of-age horror series filled with frights both nostalgic and new, for fans of *Locke & Key* and *Chilling Adventures of Sabrina*!

THE THUNDERCATS POUNCE INTO A NEW COMPANION SERIES! SOO LEE TALKS CHEETARA STEPPING OUT SOLO

Soo, you're one of the hardest working people in comics! Recently we worked with you on another smash hit series, and now you're jumping over to our biggest franchise in recent memory — all in addition to your other projects. How do you manage to juggle it all, and how exciting is it for this to be your next direction?

Thank you! I have an unhealthy addiction to working, I think. I love when I get my hands on a new property, especially when it's something outside of my comfort zone, because it's an opportunity for me to grow my storytelling in both writing and art. It's an honor to be able to tell the stories I want with these new characters and universes.

The new *ThunderCats* comics have been blazing up the charts, with fans hotly anticipating each new issue in the flagship series by Declan Shalvey and Drew Moss. Have you been checking in on the title yourself? And how has it been catching up on the franchise as you've been devising your take on one of its biggest characters in her solo breakout?

I have been reading it here and there, and Declan has also been a great guide to where his story is leading to — it's been helpful to know where I want my story to go. I've been researching and rewatching some of the original episodes as well. I'll also say, the fandom wiki pages are pretty awesome. Thanks guys!

Lion-O is the leader, of course, and every *ThunderCats* fan has their favorites among the cast. What do you think makes Cheetara so special? And what makes her the perfect choice to kick off the first companion series in this line?

There are some very cool things about Cheetara that have been overlooked in the original cartoon, things that I really want to make the center of her story. She's also iconic and very strong, so it makes sense that she gets her own series. It's a look into the most important supporting character.

How much have chronology and ties to the core series been a factor in developing and writing this one? Editor Nate Cosby runs a tight ship while at the same time working

with so many brilliant creators to bring their unique style and visions to stories.

This is completely different! It's a whole separate new story and a completely reimagined one. There are some little easter eggs that may be tied into the future, so keep an eye out!

How has it been working with Domenico Carbone so far, and how are you liking the style that he brings to Cheetara on the page from your scripts?

I love Domenico's designs for Cheetara. She looks strong and beautiful and not sexualized. I think it's loyal to the vibes of the Cheetara we know in the original series.

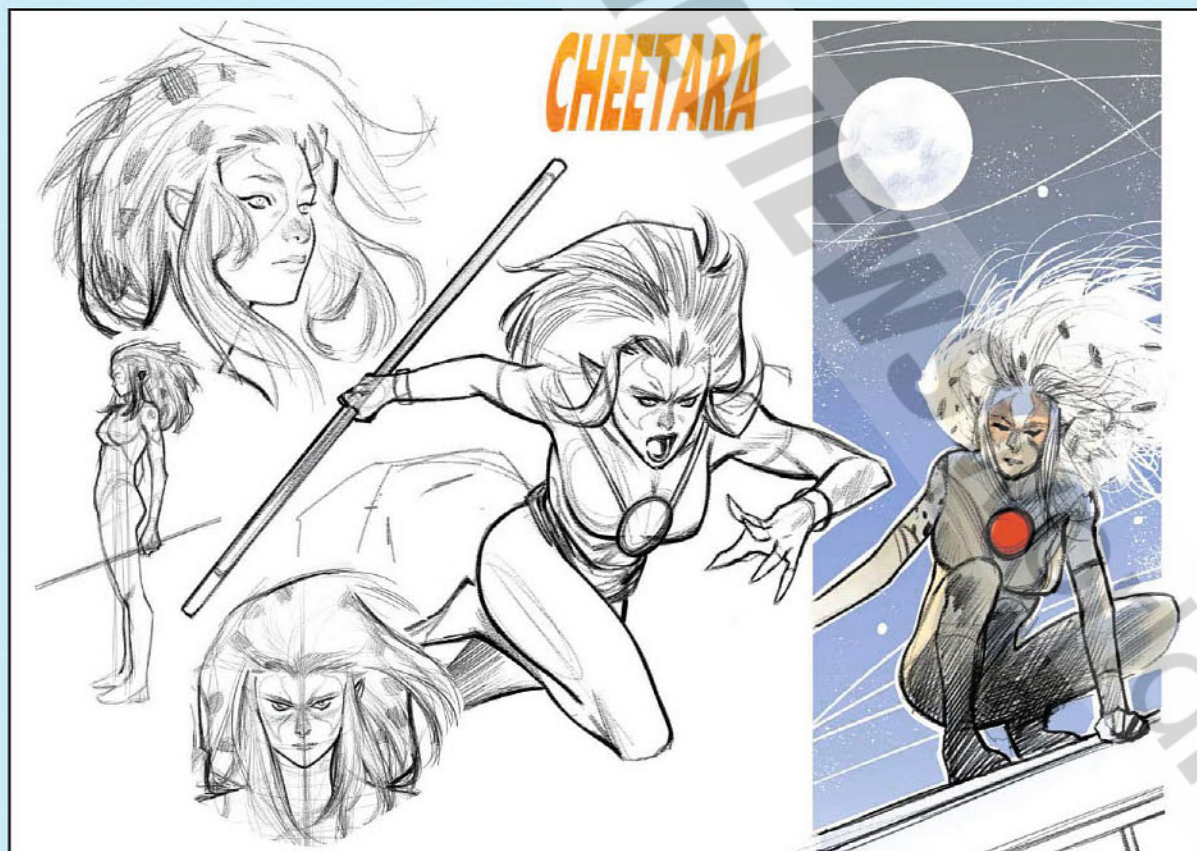

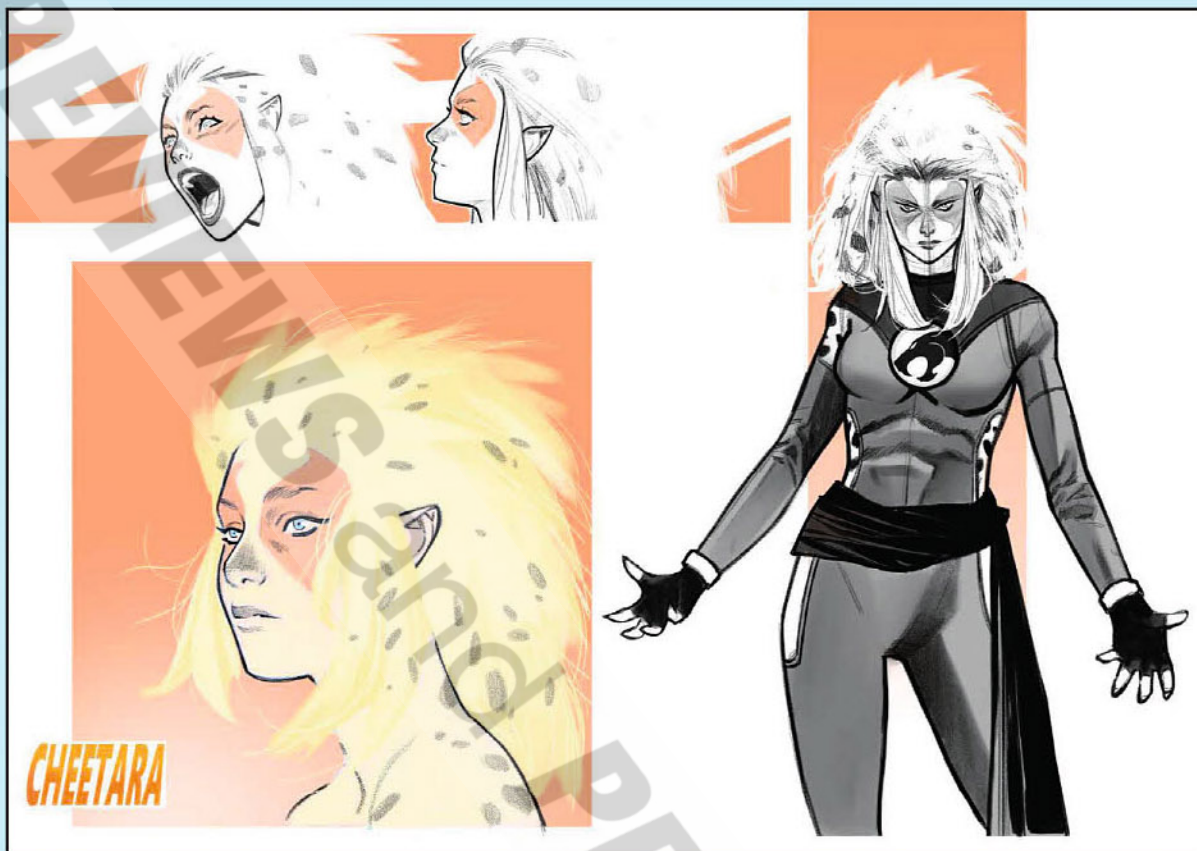

You've been building up your craft and expanding the ways that you contribute to different projects, but many fans may still know you primarily as an artist. With that in mind, do you think that your approach to writing for other artists is different from projects that you're also going to illustrate?

Writing a script for another artist is a bit more difficult, because I have to be more precise in panel descriptions and story direction. If it was for myself, I could be as vague or even just have two or three words to describe a panel — basically more like footnotes on what the page should look like! But I can't expect Domenico to be a mind reader, so I need to give just enough direction without suffocating him and let him take the reins on how they envision the page versus my own.

SUGAR, SPICE, AND EVERYTHING NICE!

KELLY THOMPSON & PAULINA GANUCHEAU TALK POWERPUFF GIRLS

Kelly and Paulina, you two are tasked with kicking off the brand-new era of Powerpuff Girls comics! How exciting is that?

KT: Pretty exciting. I have to say, I am a very big Powerpuff Girls fan — so much so that when I was young — just out of art school — I even wrote a few short stories and began to storyboard them in hopes I could get a job on the show! So this just feels... exactly right. I was over the moon to get the offer.

PG: I grew up obsessed with them. Had my own PPG OC and everything. I was on a Powerpuff Girls oekaki board way back in the day where all we did was draw in that style. I remember calling into Cartoon Network for PPG merch giveaways even. So yeah, safe to say: very exciting!

Do either or both of you have many memories of watching the show as it was originally airing? As a late-'90s and early-2000s show, it might not have been smack in the middle of your childhood, but the show always packed a punch for all ages with its fun characters, clever writing, and slick animation.

KT: Yeah, I was definitely on the adult side as a PPG watcher — but that's part

of what's so great about PPG — it works almost effortlessly for both young and old audiences. Some kind of magic mix of heart and fun and clever self-awareness makes it interesting for more than just kids, I think. It has some layers. For me, I think it's only the original/first version that I've seen most of the episodes for — the later iterations I've seen, but far less. But I also just really love the comics. The forms and colors translate so incredibly well to comics.

PG: I was really so lucky to be the exact target audience for it when I was a kid. My younger sister and I had PPG everything and were just fully "Powerpuff Pilled," so to speak. We'd watch every new episode, had soundtracks, toys, shirts, you name it. I still get excited with any new announcement, so it's just definitely in my blood forever.

Was there any going back to the original series and binging it in preparation for this series? If so, how does it hold up, and do you have any favorite episodes or bits?

KT: It's been really fun. Our editor Nate sent me these massive PDFs of the comics, and I'd open them almost with a groan

— not because I wasn't excited, but just because as soon as something becomes your job it gets harder. Now it's an obligation, not a treat. But I'll tell you what, the time reading/re-reading those issue *flew* by. They're so clever and funny, and some of the comics really push art and storytelling boundaries in super-creative ways. Which I think tracks with PPG in general — incredibly creative.

PG: Anything Rowdyruff Boys, Sedusa, or HIM are always my favorite. Also, the episode where Bubbles has to be hardcore is etched in my mind forever. Gosh, I could go on forever. So many iconic characters and moments.

As mentioned, the original show could appeal to all kinds of audiences, and we imagine that this new comic series is taking a similar approach. Who do you think will enjoy the tale you two are telling the most?

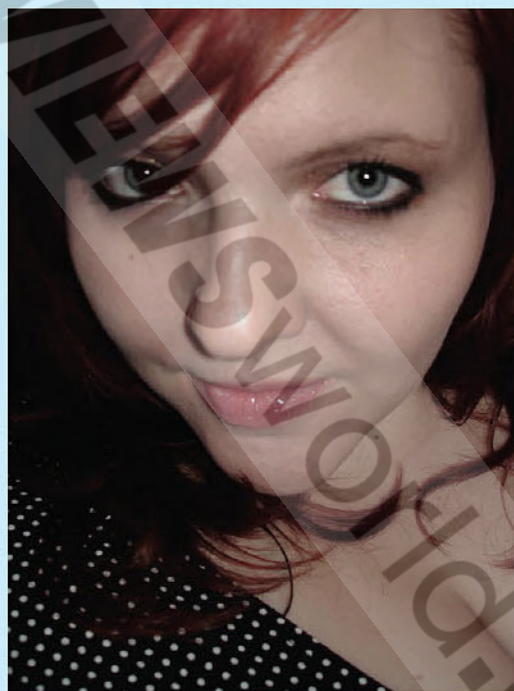

KT: I think with writing things like *The Powerpuff Girls* you really are aiming for two audiences. You have to balance keeping the core story simple enough for an all-ages reader to understand (and love), but you also need some layers that are not meant for young readers but also won't get in their way or confuse them. A kind of a wink and a nod at the adults — a wink

and a nod that kids won't clock until later. That's a tricky balance, but PPG is set up to do it well. All narrative tricks aside, however, I think the real secret is that broad themes that work for kids — like being true to yourself, learning the value of something you've taken for granted, being brave when it's hard — also work for adults; they're just slightly more complicated and a bit twisted.

Can you tell us a little bit about the actual story being crafted here? What are the girls up to this time?

KT: Well, these are done-in-one stories, so they're self-contained, which is great, and sorta rare in North American comics these days. Paulina's and my story centers around the girls finding their "new destiny" thanks to a Highly Intelligent Machine that visits their kindergarten. This revelation split the girls onto three different paths. For their own good? Or is something more nefarious in store? Bwahhhaha!

PG: It's going to be *so* fun.

writer Kelly Thompson

Kelly, the girls are deceptively similar on the surface in their designs, but their characters are so dramatically different. How has it been figuring out their voices and dynamics together through your writing?

KT: I honestly just really know the voices and personalities quite well from watching the show — they're these adorable, candy-colored troublemakers with hero streaks a mile wide, and their enthusiasm, energy, and heart is simply infectious. I think Blossom gets the worst situation as she naturally has to be slightly more balanced than Bubbles or Buttercup are. She's known for her level head, which means you need to mostly write her that way, whereas you can really cut loose with Bubbles and Buttercup. I think in this story, because of the narrative, you're playing against the expected a little bit, but the other stories are a bit more traditional in their approach.

Paulina, you have an incredible, distinct style that hits a sweet spot of cartooning. *The Powerpuff Girls* has also been known

artist Paulina Ganucheau

for having a unique look through its art style and animation. How do you feel your style aligns with the usual vision, and how have you been approaching your visual take on the characters and story?

PG: As an adolescent artist, a lot of me was molded by *The Powerpuff Girls*. I grew up with it, I drew it, I loved it, so I think a piece of them will always be in my work. Even my bright color palettes could, I bet, be partially traced back to the incredible color story of this show. Sometimes when I draw the girls it just feels like I'm unlocking them from a part of my brain. It feels very natural, but I still see newer pieces of myself in each drawing. It's a lot of fun to see, and an honor to do.

Finally, and you absolutely must pick one — who is your favorite Powerpuff Girl?

KT: Not hard. It's Bubbles. Isn't she everyone's favorite?

PG: Oh gosh, no, it's so hard though, Kelly! It's a toss-up for me between Blossom and Buttercup. I was always flip-flopping between them as a kid. Who knew that I still wouldn't know which to choose?

With three gods now missing, the atmosphere of Mount Olympus is turning grim. Down in the mortal realm, however, humanity can get along without the gods of love, war, and the forge — for a little while, at least. But all that is about to change when Apollo suddenly vanishes from his golden chariot in the sky — leaving a blazing midday sun that refuses to set!

Now it's up to Hercules and Pegasus to get the sun moving again before Earth is burned to a crisp. This dramatic escalation stokes Herc's and Meg's suspicions that Hades is behind these divine disappearances — but the situation in the underworld may be more dire than even they suspect!

This mind-bending new tale of the Vampiverse ratchets up the action in its explosive second issue!

In the twisted dimension that Vampirella's daughter Lilith has been sent to by the Reality Corporation, demon insects following a mysterious leader known as Queen Tenebris have infected the world. Lilith thought she might still have the upper hand, until she came face to face with an opponent she didn't expect — a Vampirella fighting of behalf of chaos!

What terrible events could have brought a Vampirella so low? What tragedy befell this once-valiant warrior of order? And more important, what can Lilith do to reverse the process — assuming she survives?

Acclaimed authors TOM SNEGOSKI and JEANNINE ACHESON (*Vampiverse*, *Pantha*) join artist DANIEL MAINE (*Vampiverse*, *Chastity*) address all these questions and more in *Vampirella: Dark Reflections #2* — featuring appropriately infernal cover art from SHANNON MAER, LUCIO PARRILLO, JOSEPH MICHAEL LINSNER, JAY ANACLETO, and cosplay by JOANIE BROSAS!

When King Basilio has doubts he finally frees his son. But, with his newfound liberation, the prince goes on a rampage, behaving like a wild animal as was prophesied!

Captured and imprisoned once more, Basilio is able to convince Sigismund that his experiences of freedom were but a dream. The citizens of the kingdom, however, remember the truth. Now viewing their king as monstrous for his actions against his son, a rebellion ensues!

THE ALL-NEW PSYCHOLOGICAL THRILLER ONE-SHOT ARRIVES

JULY 17, 2024

CREATOR FEATURE: RON ROBBINS & LAURA BRAGA

RR: The expansive Archie universe creates such amazing opportunities to take established characters and twist them into something new, as well as the ability to dissect minor characters and create layered, exciting backstories. Trula Twyst made her first appearance in 1997, many (many) years after the original Archie gang first became part of my DNA. Much of what we know about Trula is

that she leverages her distinct interest in behavioral psychology to toy with Jughead Jones. It was so awesome to explore these facets of her personality for a bigger story. Why behavioral psychology? And why Jughead? A life filled with trauma caused by bad actors could make anyone fixate on what makes people tick. Now, imagine starting at a new school when you've reached your tipping point and are entering your main character era. We are all beautifully imperfect, and Trula manages to turn our human imperfections into the real baddie of this horror story.

ABOUT THE AUTHOR

Since 2018, Ron Robbins has been part of the amazing creative team on Archie's digest series. His journey took a thrilling turn in 2022 when he penned his first story for the Chilling Adventures one-shot *WEIRDER MYSTERIES*, exploring the darker, paranormal corners of Riverdale. A devoted reader and enthusiastic consumer of television, Ron is always in pursuit of the next captivating narrative—especially those centered around layered, flawed, and lovable misanthropes.

Archie comics have been a cornerstone of Ron's life since he first began reading, molding his passion for comic books from a young age. He believes in the transformative power of storytelling. His journey through the Archie universe is a melding of nostalgia, pop culture, and love, marked by a real appreciation for the characters that have become like family.

LB: I'm always happy when I have the chance to work on Archie Comics characters, and when Vincent proposed working on a new character for a horror story, I was immediately enthusiastic to work on it! Being able to create a new character design for Trula Twyst and working on a story with a horror setting is for me truly inspiring and fun!

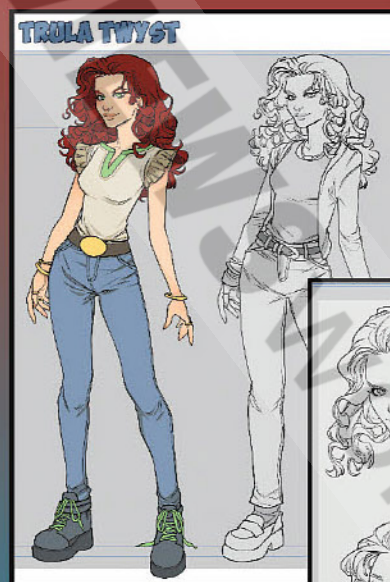

I'm grateful to Archie Comics for this opportunity and I hope you all will love reading this new adventure by Trula as I do!

ABOUT THE AUTHOR

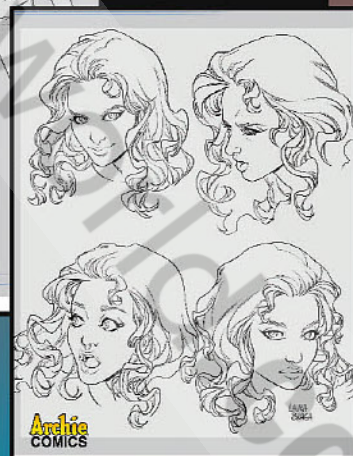

Laura Braga is an Italian comic book artist best known for her work on *FUTURE STATE: THE NEXT BATMAN*, written by Oscar-winning screenwriter John Ridley (*12 Years a Slave*) on the first mainstream DC Universe Black Batman, Tim Fox. Laura Braga started her career in 1999 as storyboard artist for an Italian TV commercial. In 2005, she met and collaborated with Milo Manara, whose influence led Laura to a more realistic style. Laura Braga entered the US comic book industry in 2012, working for Top Cow as the regular artist of *WITCHBLADE*. Since 2014, she has worked for Marvel on titles as *SUPERIOR IRON MAN*, *CAPTAIN MARVEL*, *THE PUNISHER*, and *DAZZLER*, and has been collaborating with DC Comics since 2015, on great characters like Batman, Superman, Wonder Woman, Harley Quinn, Supergirl, Green Arrow, and Bombshells. In 2022 she was chosen to be the artist of the new Free Comic Book Day 2023 illustration. The design was used for the commemorative t-shirt, poster and gadgets for FCBD 2023. She is Co-creator of #PurrEvil published by Image Comics.

MY LITTLE PONY: SET YOUR SAIL #4

(W) Megan Brown (A) Amy Mebberson (CA) Paulina Ganucheau

Despite what the songs say, everything is not better under the sea! The flowers are leaking green ooze, the food is filled with sand, and the coral is dying. The water is growing more treacherous, and it's up to the newly seapony-fied Mane Six and their ragtag group of pirates (and princesses) to get to the bottom of things, even if that means exploring the dark trenches everypony fears. The barnacle-covered truth of the Sparkling Sea is soon to be revealed. (STL322651)

(W) Christopher Sequeira (A) Joe Eisma

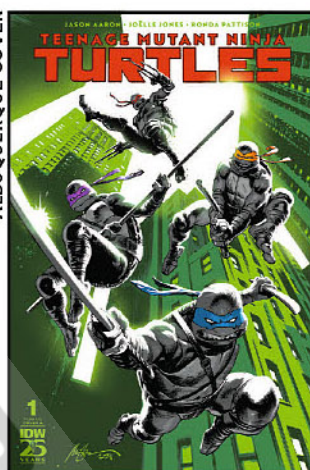

Horrors from Starfleet's past are back with a vengeance! The evil Redjac presence—a.k.a. Jack the Ripper from the Star Trek episode "Wolf in the Fold"—has returned. And this time it has a new terrifying tool at its disposal: the holodeck. As Redjac seizes control of Picard's *Enterprise* and spreads holographic horror, the only way for the crew to resist insanity is to become one with their fears. Ship counselor Commander Deanna Troi concocts a daring plan for an away team to become hypnotized holodeck-incarnations of timeless horror monsters, such as Dracula, Frankenstein, the Mummy, and others. Once they infiltrate the illusions, they can fight fear with fear. However, will they be able to defeat Redjac and break their hypnosis before their minds are permanently altered? Or will the crew be stuck as movie monsters forever? (STL323032) (C: 0-1-2)

(W) Sam Maggs (A) Ornella Greco

Before becoming the Federation's finest, Jean-Luc was an ordinary student at Starfleet Academy with sights on the stars. His path forward was charted: blow his classmates out of the water on the infamous Evasive Maneuvers exam and graduate early. But there's a detail Cadet Picard hadn't factored into his plan: the exam was a group project and he'd need to make friends with, ugh, people if he stood a chance at passing. Federation starships aren't run by a party of one, after all. During the training exercise, Picard accidentally puts the lives of himself and two of his classmates—Doq and Marty—in danger! VIDEO GAMES: A RETRO-SPECTIVE HC

(W) Nicolo Mulas Marcello, Alberto Bertolazzi

In the past sixty-five years, video games have evolved from primitive computer-lab experiments into one of the world's most popular forms of entertainment and—many would say—an important new art form. *Video Games* traces every step of this fascinating journey, from *Pong* to the Atari 2600; to the 8-bit and 16-bit consoles; to *Wolfenstein 3D* and *Doom*; to PlayStation and Xbox; to MMORPGs; to *Minecraft* and *Fortnite*; to Twitch streaming. The lively text gives equal attention to the games, the gaming platforms, and the personalities and subcultures of the gaming world. It is illustrated throughout with beautiful color photographs of mint-condition retro hardware and cartridges from one of the world's finest collections, and with screenshots of classic games. O/A MY FRIEND DAHMER GN (MOVIE TIE-IN EDITION)

(W/A) Derf Backderf (CA) Photo
You only think you know this story. In 1991, Jeffrey Dahmer, the most notorious serial killer since Jack the Ripper, seared himself into the American consciousness. To the public, Dahmer was a monster who committed unthinkable atrocities. To Derf Backderf, Dahmer was a much more complex figure: a high school friend with whom he had shared classrooms, hallways, and car rides. In *My Friend Dahmer*, writer-artist Backderf creates a surprisingly sympathetic portrait of a disturbed young man struggling against the morbid urges emanating from the deep recesses of his psyche—a shy kid, a teenage alcoholic, and a goofball who never quite fit in with his classmates. What emerges is a Jeffrey Dahmer that few ever really knew, and readers will never forget. (STL067809)

It's a brand-new school year, and the Brights are tackling it just like any other family: by hopping into their minivan, taking a portal to a custom-terraformed planetoid, and meeting students from all over the galaxy! But Nia and Jayden are about to learn that there's more to a universal education than befriending a Glob and mastering mechball. This book includes a never-before-seen bonus tale featuring the Brights' lovable robot nanny, Dusty, and his double from a very different dimension. (STL320647) (C: 0-1-0)

AGE 16 GN

(W/A) Rosena Fung
A powerful coming-of-age graphic novel about how mothers and daughters pass down—and rebel against—standards of size, gender, race, beauty, and worth. Guangdong, 1954 Sixteen-year-old Mei Laan longs for a future of freedom, and her beauty may be the key to getting it. Can an arranged marriage in Hong Kong be the answer to all her problems? Hong Kong, 1972 Sixteen-year-old Lydia wants nothing more than to dance and to gain approval from her mother, who is largely absent and sharply critical, especially about the way she looks. Maybe her way to happiness is starting over in Toronto? Toronto, 2000 Sixteen-year-old Roz is grappling with who she wants to be in the world. The only thing she is certain of is that if she were thinner, things would be better. How can she start living her life, instead of just photographing it? Award-winning creator of Living with Viola Rosena Fung pulls from her own family history in her YA debut to give us an emotional and poignant story about how every generation is affected by those that came before, and affect those that come after. DISCIPLES OF THE SOIL GN

(W/A/CA) B. Mure

When the Prime Minister announces a new rail line in Ismyre, there are protests: from the wizards, who are concerned about the country's magic, from the naturalists, who fear the damage to the soil, plants, and animals, and from the Sisters of Our Lady Who Slumbers Under the Earth, who would prefer their giant serpent deity to rest peacefully. As the railway proceeds, the worries of the wizards and the naturalists come to pass... and the earth has begun to shake. (STL319666) (C: 0-1-1)

BRO-D CANT BE BROKEN ONE-SHOT

(W/A) Ben Humeniuk (CA) Jim Jimenez

In the bleak landscape of 2095, humanity's feeble attempts to mend the wounds of a ravaged Earth serve only as a futile facade. Amidst the sterile confines of megacities, where the illusion of progress looms, disparate souls coexist in a vapid dance of tolerance. Yet, lurking in the shadows are the Deywos, ancient entities masquerading as gods, wielding fear as their weapon of choice in a pitiful bid to reassert dominance over a broken planet. Enter Bro-D, a manufactured paragon of resilience. His invincibility, a mere facade against a relentless onslaught, is put to the test in a futile struggle against Bregghammer, the champion of the Deywos. Their clash unfolds as a grim reminder of humanity's insignificance in the face of cosmic indifference. As Bro-D grapples with his inevitable demise, he confronts the harrowing truth behind his existence, a revelation that shatters the illusion of purpose and leaves him vulnerable to the merciless hands of fate. Abandoned by her campaign team and kicked out of the Democratic Primary, Roxanne seeks help from a chaotic, anarchic old frenemy from her camming days: hustler extraordinaire Beebee Ghraib, who guides Roxanne to launch a raucous, no-holds-barred third party campaign — but what starts as a burn-it-all-down revenge spree escalates into a wild odyssey of seizing Democracy from politicians' cold dead hands. **A raucous and unhinged R-rated comedy about taking down the hypocrites, looking out for your friends, and toasting marshmallows as it all burns down.**

"Depicts American Hellscape in Art." –Rolling Stone

"The concepts Matt is presenting here are so familiar they should be terrifying." –Chuck D (Public Enemy)

"Ripped from tomorrow's headlines... it's a genre known as 'speculative fiction.' Except that it doesn't seem as speculative anymore." –The San Francisco Chronicle

What if a contested Presidential election plunged America into turmoil? What if political violence consumed the streets? And what if a raging Supreme Court, in a strict interpretation of the Second Amendment, legitimized and deputized all militias, transforming the entire country into a paramilitary police state?

This speculative-fiction comic book series tells the story of Vya Of Brightstars, a mysterious figure rising from the unrest, and Clara Cruz, a young professional who becomes activated in Vya's movement when her fiancée is disappeared as militias take over their Mission District neighborhood.

But are Vya and Clara freedom fighters or terrorists?

"Revolutionary." –io9

BILLY BUNTER LIMITED EDITION COLLECTOR'S EDITION HC
(W) Frank Richards
(A) Reg Bunn, Charles Henry Chapman
Billy Bunter had a long career at Fleetway. He began in hugely popular text stories and then went on to further fame as a purely slapstick character in the pages of *Knockout* and *Valliant*, where his depiction was almost totally unrelated to his original conception. The strips that appeared in *Comet* take us firmly back to the roots that established the popularity of the characters: exciting dramatic adventures featuring not only Billy Bunter but also the cast of other *Greyfriars* characters. This volume comprises the very best of the *Comet* Billy Bunter dramatic strips, including all those drawn by Reg Bunn ("The Famous Five") and C.H. Chapman ("Greyfriars School" and "Bunter of Greyfriars") that most admirers would consider the pick of the crop, or as Billy Bunter might say, the icing on the cake... MARK RYDEN'S YAKALINA SECRETS HC

(A/CA) Mark Ryden

In his Pacific Northwest studio during the isolation of COVID-19, Mark Ryden began a series of his iconic half-animal, half-plush creatures that further explored his reverence for these beings, who are guides through a landscape of the unknown. The figures in these paintings are neither human nor animal, they are spiritual entities that create a bridge between the human and animal worlds in which so much disharmony exists. This book features all of the original portraits of Ryden's mysterious and mythical creatures. The resulting gallery of enchanted characters embodies the artist's meticulously realized signature blend of archetype, kitsch, and narrative mysticism. (STL306008) (C: 0-1-0)

THE OLD WILLIS PLACE GN

(W) Mary Downing Hahn, Scott Peterson (A) Meredith Laxton
Diana and her little brother, Georgie, know every inch of the land around the old Willis place, a crumbling mansion that some people say is haunted. They climb the trees and swim in the pond. And they can do whatever they want, even stay up all night. They don't have to change their clothes, brush their hair, or go to school. They have total freedom—as long as they don't leave the grounds. When Lissa arrives with her father, the new caretaker of the estate, Diana is overjoyed. She's been wishing for a friend. She can show Lissa all her favorite spots, and they can share their favorite books. Maybe Lissa can even help her uncover the ghastly secret of the creepy old Willis house. But there are rules that must be followed in order to keep the peace. Diana and Georgie aren't allowed to make friends. If Diana makes contact with Lissa, she could unleash evil forces beyond her control... and then they'll all be sorry. (STL320170) (C: 0-1-0)

OBA ELECTROPLATING FACTORY HC

(W) Yoshiharu Tsuge, Ryan Holmberg
(A/CA) Yoshiharu Tsuge
Oba Electroplating Factory is a startlingly bleak but nonetheless captivating portrait of mid-century Japan in its most unglamorous iteration. Glimpses of the artist reflecting upon his life, his work, and his contemporaries pepper the narrative landscape: Tsuge's stories are studies in staging nature, working to evoke stillness and movement in such a way that renders his chosen setting a character all on its own. Canadian treasure Marc Bell returns with another gorgeous, confounding comic that redefines how an art book can tell a story and how a graphic novel can be an object first and story second. You wake up in the rubble and see a ragged, desperate one-armed man greeting you. He takes you underground to a safe space, feeds you, offers you a place to sleep, and then announces that he'll take the first watch. It's not long before the peril of the jagged landscape has located you and your newfound protector and is scratching at the door. What transpires is a moment-to-moment struggle for survival — *The Road* meets *Dawn of the Dead*. *Daybreak* is seen through the eyes of a silent observer as he follows his protector and runs from the shadows of the imminent zombie threat. Brian Ralph slowly builds the tension of the zombies on the periphery, letting the threat, rather than the actual carnage, be the driving force. (STK522710)

With this work, Tomine reaffirms his place not only as one of the most significant creators of contemporary comics, but as one of the great voices of modern American literature. The Swamp is the first in a series of books by Yoshiharu Tsuge, one of the most influential and acclaimed practitioners of literary comics in Japan. Unassuming protagonists venture further into eerie symbolism against a shadowy, perceptibly dreamlike landscape easily mistaken for the real world. The angst that pervades postwar Japanese society threatens to devour his characters and their pastoral sensibilities as each protagonist's wanderlust turns surreal. (STL277799)

It is said that love can survive anything. But can it trump death, deception, toxicity and privation? In four stories, BUTTERFLY TEARS delivers four different takes on love and loss.

From supernatural romance to impossible relationships, Fang Yili revisits Chinese myths and stories in her own way to create a rich and emotional depiction of classic Chinese tales beyond gender, society or condition.

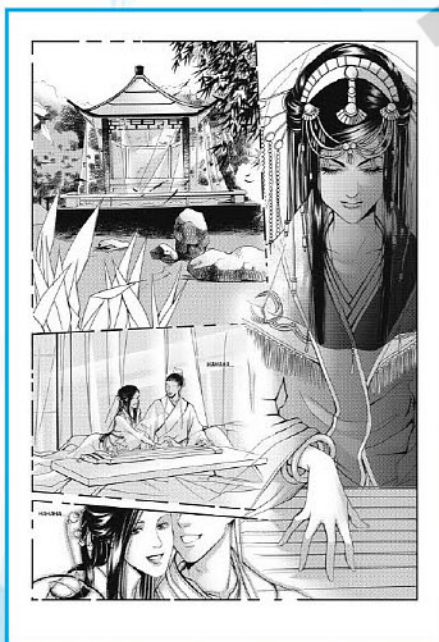

The first story, "Tragic romance", is inspired from the classic Chinese legend "Butterfly lovers". Zhu Yingtai is the only girl in a nine children family. But she can't accept that women aren't allowed to study in college. She decides to attend anyway, posing as a man. There, she meets Liang Shanbo and falls in love with him. But Zhu has to return home and reveal herself as a woman. Liang travels to find Zhu, but unfortunately, their love can't exist in this life. Will it happen in Death?

In "Butterfly Tears", a butterfly falls in love with a human. But he doesn't see her for who she is. Still, she knows in her heart that they are destined to be together, even though she'll die before him. As she transitioned to the next life, she meets Madame Meng, the latter gives her a bowl of a very special soup. Then she waits for the love of her life to cross the Dark Huangquan road. Will they find each other in the next life?

In "Lover", Xiao Lang is a warrior and Dragon whisperer. But he mourns the loss of his lover, Nong Yu, bound by a thousand-year curse. Xiao Lang has waited for centuries to be reunited with his bride. So, when the opportunity finally comes, is it a dream sent by the evil Queen Mother or reality?

Finally, "Mr Hua", analyzes the impact of fate on feelings. Can those from previous lives passed on to the next? Can love transcend gender, space and time?

By a twist of fate, he will cross paths with three valiant companions in arms: Athos, Porthos, and Aramis, known as the Three Musketeers! In the realm of Louis XIII, conspiracy reigns. Catholics strive to retain their power against Protestants, the English are perceived as a threat, and the Musketeers must thwart the schemes of the powerful Cardinal de Richelieu and his elusive accomplice, Milady de Winter. New Series Comic!

HATE REVISITED #2

By Peter Bagge

\$4.99 / Comic book / 24 pgs / FC / 6.6" x 10.3"

The second issue of the most-anticipated series of 2024 tells the story fans have been waiting for for over 30 years: yes, it's "When Buddy Met Stinky!" Through flashbacks to late '80s suburban New Jersey, to present day Tacoma, Washington, Buddy is forced to confront the memory of his departed friend, Stinky (who unexpectedly left this mortal plane back in 1997's *Hate* #27) and his own role in Stinky's final resting spot. Bagge's razor sharp humor and beloved cast of characters have never been better!

KOMMIX

By Charles Burns

\$24.99 / HC / 80 pgs / FC / 7.5" x 10"

Master cartoonist Charles Burns (*Black Hole*) has created a varied collection of 80 comic book covers that present an alternate universe of stories that never were. The covers build entire worlds and suggest narratives that lie within their non-existent guts. Playful and imaginative, *Kommix* is like discovering an entire box of comic books you never knew existed.

PEEPSHOW #15

By Joe Matt

\$6.99 / Comic book / 36 pgs / BW / 6.75" x 9.75"

When cartoonist Joe Matt unexpectedly passed away in 2023, it appeared that any hope of seeing new work would die with him. Matt, notoriously slow, had been working on a new issue since the previous issue was published in 2006. After his death, it was discovered that the entire issue was almost complete and, thanks to Matt's cartoonist friends, *Peepshow* #15 will finally see print. The issue is quintessential Matt: utterly shameless and crafted with an exhibitionist's enthusiasm for his favorite subject, himself. Detailing his move to Los Angeles in 2003 to pursue an ill-fated HBO series, *Peepshow* #15 is Joe Matt at his Joe Mattiest.

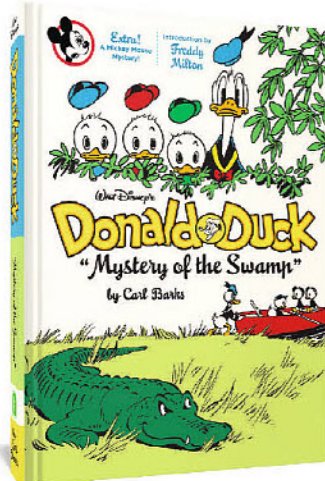

New Series Comic!

PSYCHODRAMA ILLUSTRATED #8

By Gilbert Hernandez

\$4.99 / Comic book / 28 pgs / BW / 6.5" x 10"

Concluding the two-part "Desalde" that began last issue, Fritz—in one of her B-movie classics—stars as the titular heroine, a sympathetic peasant girl who serves as caregiver and sexual partner to the King. But once she allows the only boy who has ever been nice to her take the rap for murder, Desalde appears to be up to far more than anyone in the kingdom bargained for. Just who is getting screwed here? It's an adults-only finale to die for—or is that to die from? *A Love and Rockets* spinoff comic!

MOTHBALLS

By Sole Otero

\$29.99 / SC / 336 pgs / FC / 7" x 9.5"

In this moving family saga, a teenage woman uncovers the hushed history of sexual violence that shattered her grandmother's life. Moving seamlessly between Italy at the beginning of the 20th century and Argentina at the beginning of the 21st century, *Mothballs* chronicles fraught family dynamics with rare nuance and sensitivity, sprinkling in moments of tenderness, vulnerability, and whimsy amidst the pain, a showcase of *tour de force* cartooning that marks Sole Otero as a major talent in the global comics scene.

FUTURE

By Tommi Musturi

\$39.99 / SC / 288 pgs / FC / 8.25" x 11.75"

Future traps the reader into a web of stories happening in different time spaces, providing perspectives on possible futures through imaginary worlds, current events, historical references, utopias, and ideals. Weaving between a variety of styles in illustration and narration, *Future* is a graphic novel that renews the medium of comics. Napoleon, Charles Babbage, and Benjamin Franklin were among its challengers, and Edgar Allen Poe wrote an essay attempting to explain how it worked. (STK635961)

**YOUTH GROUP GN**

(W) Jordan Morris

(A/CA) Bowen McCurdy

When goth Kay reluctantly agreed to join the youth group at Stone Mission Church in Orange County California, she expected the Jesus talk and the dorky singalongs and the colorful posters about dodging temptation. What she didn't expect was to stumble on her youth group leaders, Meg and Cortland, in the middle of a real-deal exorcism. Turns out they're both soldiers in a secret organization of demon hunters in a war that's heating up, and even if Kay wanted to stay on the sidelines, she doesn't have a choice—she's a "Blight," a human who demons can't possess, and apparently that's made her a target. Will Kay find her place in a world

that's so much more God-fearing and monster-fighting than what she's used to? Or will a pack of demons use Blights like Kay as the key to starting some real big trouble? (STL320187) (C: 0-1-0)

HOMICIDE: THE GRAPHIC NOVEL VOLUMES 1 & 2

(W) Philippe Squarzoni, David Simon (A/C) Philippe Squarzoni

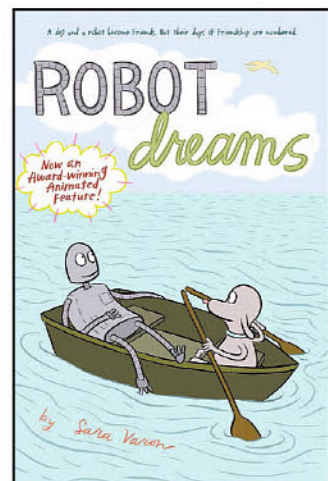

In 1988, journalist David Simon was given unprecedented access to the Baltimore Police Department's homicide unit. Over the next twelve months, he shadowed detectives as they took on a slew of killings in a city where killings were common. Only the most heinous cases stood out—chief amongst them, the rape and murder of eleven-year-old Latonya Wallace. Originally published in 1991, Simon's *Homicide* became the basis for the acclaimed television show *Homicide: Life on the Streets* and inspired HBO's *The Wire*. (STL272542)

THE FUTURE WAS NOW: MADMEN, MAVERICKS, AND THE EPIC SCI-FI SUMMER OF 1982 HC

(W) Chris Nashawaty

In the summer of 1982, eight science fiction films were released within six weeks of one another. *E.T.*, *Tron*, *Star Trek: The Wrath of Khan*, *Conan the Barbarian*, *Blade Runner*, *Poltergeist*, *The Thing*, and *Mad Max: The Road Warrior* changed the careers of some of Hollywood's now biggest names—altering the art of movie-making to this day. In *The Future Was Now*, Chris Nashawaty recounts the riotous genesis of these films, featuring an all-star cast of Hollywood luminaries and gadflies alike: Steven Spielberg, Ridley Scott, Nicholas Meyer, George Miller, and more. Taken as a whole, these films show a precarious turning-

ing-point in Hollywood history, when baffled film executives finally began to understand the potential of high-concept films with a rabid fanbase, merchandising potential, and endless possible sequels. (STL320184) (C: 1-1-0) NOTE: Not available in UK. (May purchase from UK vendor.)

BARREN LANDS BY BRYNN METHENEY GN

(W/A/CA) Brynn Metheney
Barren Lands is a humble love letter to the region, where the author and artist Brynn Metheney was born and raised. She shines light—and wonder—on those deserts, which continue to inspire and surprise her. Metheney has included notes and observations about these oddities and seasonal incidents from her personal experiences. They include encounters that hinge on disbelief, passed down to her by family members and reclusive locals, about creatures unknown by the public. This is a marvelous look at hidden wonders that only a desert rat with a long history in the region could share. Metheney's words and pictures will spark the imagi-

GILT BY J.A.W. COOPER COLLECTION HC

(W/A/CA) J.A.W. Cooper
 This publication is the fifth collection of drawings and paintings by the illustrator and fine artist J.A.W. Cooper. It documents Cooper's personal struggle through guilt, mourning and, finally, acceptance as the artist lost and then refound a love for their craft after taking a two-year hiatus. Through imagery revolving around the cycles of life and death, seasons, joy and pain, Cooper explores the relationship between making art and an unhealthy reliance on it for self-worth and identity. Works from Cooper's 2021 solo show "Gilt" at Gallery Nucleus, are gathered here along with some that were featured in the 2023 solo show "Curious" at the same gallery. (STL319786) (C: 0-1-I)

STOLEN: INSIGHT STUDIOS ART TAKEN

The creators at Insight Studios, including renowned artists Marc Hempel and Mark Wheatley, said that they have been rocked by the revelation that decades worth of their original art, scripts, and production materials have been stolen from their climate-controlled warehouse.

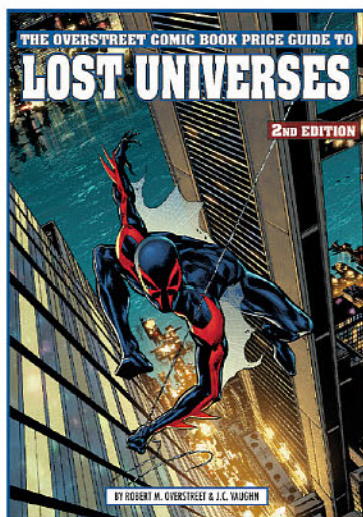

Hempel and Wheatley established their reputation as collaborators across several different series including *Mars*, *Breath-taker*, *Jonny Quest*, *Tarzan*, and *Blood of the Innocent*, among other projects.

They were initially unaware of the theft, and said they believed their treasures to be safely preserved. In reality though, thousands of pages of their work had found their way into the original comic art market unbeknownst to the creators.

The heist and the mystery around it began to unravel when artist Dan Krall, a former assistant to Wheatley, identified the complete original art for the “Kings Of The West” story from *Jonny Quest* #28 in a Heritage Auctions event in mid-2022. This discovery ignited a painstaking investigation, which in turn revealed the extent of the theft.

The Maryland State Police embarked on a rigorous investigation, and the stolen art is now listed on the FBI Registry of Stolen Artworks. For a complete list of the stolen artwork, email Mark Wheatley at insight@insightstudiosgroup.com.

The beast beneath the mountain is restless... No one in the bustling city of Pompeii worries when the ground trembles beneath their feet. The beast under the mountain Vesuvius, high above the city, wakes up angry sometimes — and always goes back to sleep. But Marcus is afraid. He knows something is terribly wrong — and his father, who trusts science more than mythical beasts, agrees. When Vesuvius explodes into a huge cloud of ash and rocks that fall from the sky like rain, will they have time to escape — and survive the epic destruction of Pompeii? (STL320704) (C: 0-1-0)

SCI-FI FANTASY

On the night a mysterious comet passes overhead, a group of kids encounter a supernatural being who promises to grant them one wish each, but they take too long and the comet passes. 35 years later, the comet returns...and their wishes begin to come true.

What We Wished For is an extraordinary exploration of the sweeping concerns of our time—gender and sexuality, isolation, technology, power, polarization—filtered through a funhouse mirror of magical realism and experienced through deeply relatable characters whose desires, foibles, and failings are nothing compared to their heart-wrenching humanity.

PRAISE FOR WHAT WE WISHED FOR:

*"It is gorgeous. It is trippy as f*ck. It is bold. It is funny when it needs to be funny, tear-jerking when tugging at our emotions, and genuinely scary when it goes for it."*

—SCOTT LOBDELL

"WWWf is the exact sort of book I'd wish for, capturing the divide between childish fantasies and the reality of getting what we used to think we wanted most. Brilliantly drawn and written, it's a thoroughly modern fable about expectation, power, and how much who we meant to be aligns with who we really are."

—DAVID MARIOTTE

"A book that feels powerfully of the moment, loaded with unforgettable and complex people. I couldn't look away from this work, vividly brought to life in a way only Kyriazis can. WWWf will stay with you, affecting you, long after you've turned the final page."

—ALEX SEGURA, bestselling author of *SECRET IDENTITY* and *ALTER EGO*

LIVERIGHT

THE WEREWOLF AT DUSK AND OTHER STORIES GN

(W/A) David Small

Long celebrated as a modern master of graphic literature, David Small has elicited in his work comparisons to Stan Lee and even Alfred Hitchcock. His internationally acclaimed graphic memoir, *Stitches*, told the story of a childhood in disarray. *Werewolf at Dusk*, appearing nearly fifteen years later, turned its attention to the twilight of life and to aging, gracefully or otherwise. The three stories in this collection are linked by the dread of things internal. In the title story, an adaptation of Lincoln Michel's classic short piece, the dread is that of a man who has reached senility with something repellant in his nature. The specter of old age also haunts the semiautobiographical story "A Walk in the Old City." Brain matter cascades and spiders loom as a psychoanalyst, self-assured in his practice, wanders along empty streets, reality warping into the irrational with the insouciance of a dream. In the final story, a reinterpretation of Jean Ferry's "The Tiger in Vogue," this dreamscape gives way to the ominous environs of Berlin in the 1920s. Guillaume Singelin

YA This book is intended for readers aged 14 and up. It may contain themes considered "young adult".

Created by artist and author GUILLAUME SINGELIN, FRONTIER is a feature-length snapshot of life in the age of space exploration. Built on a foundation of plausible technology and scientific advancement, FRONTIER explores the new, daily challenges of life in space: from the mundane task of farming to the political strife of corporate trademark and territory claims. Three souls eke out a living in outer space: a scientist, a battle-scarred mercenary, and an asteroid miner who has never been to Earth. When their paths cross, life takes them in a direction they couldn't have imagined.

PLAYING AT THE WORLD SECOND EDITION VOLUME 1: THE INVENTION OF

DUNGEONS & DRAGONS SC

(W) Jon Peterson

The first volume of two in a new, updated edition of the 2012 book *Playing at the World*, which charts the vast and complex history of role-playing games. This first volume is *The Invention of Dungeons & Dragons*, which explores the publication of that iconic game. In this volume, Jon Peterson distills the story of how the wargaming clubs and fanzines circulating around the upper Midwest in the 1970s culminated in Gary Gygax and Dave Arneson's seminal role-playing game, *D & D*. Drawing from primary sources ranging from

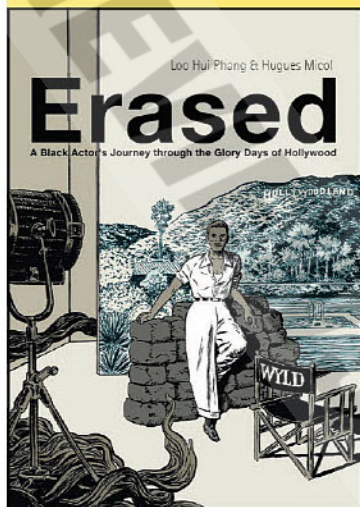

eighteenth-century strategists to modern hobbyists, *Playing at the World* explores the origins of wargames and roleplaying through the history of conflict simulations and the eccentric characters who drove the creation of a signature cultural innovation in the late twentieth century. SPOTLIGHT ON

ERASED: AN ACTOR OF COLOR'S JOURNEY THROUGH THE HEYDAY OF HOLLYWOOD HC

(W) Loo Hui Phang
(A) Hugues Micol

Maximus Ohanzee Wildhorse, renamed "Maximus Wyld" by Hollywood, was a talented, prized, admired comedian. Of mixed race black, Chinese, and Amerindian descent, he was "the actor with a thousand faces," essentially interpreting ethnic roles: Indian chief, Mexican revolutionary, oriental dandy. His filmography is an anthology of cinema: *Vertigo*, *The Maltese Falcon*, *Sunset Boulevard*, *The Prisoner of the Desert*, *Rebecca*. However, no credits mention his name. On celluloid there is no imprint of his face. Maximus the precursor rests in the graveyard of Hollywood

wood amnesia. What event pushed him into limbo? What occult and superior force has stored his career in a cinematic Bermuda Triangle? A veritable reinterpretation of the myth of American cinema through the prism of minorities, *Erased* reveals the political and social dimension of Hollywood productions. (STL320629) (C: 0-1-1)

ALBERT EINSTEIN: POETRY OF THE REAL HC

(W) Manuel Garcia Iglesias
(A) Marwan Kahil

When he's five years old, Albert Einstein's father offers him a compass that triggers in him an irrepressible need to understand the laws of the universe. At first a simple employee of the Swiss Patent Office in Bern, the young Einstein published in 1905 a series of scientific articles that question everything that was thought to be known in the world of physics. His theory, summed up by the formula $E = mc^2$, opens to humanity the doors of the power of the atom. Legendary Genius, but also a great humanist, he lives through the first half of the 20th century, with all its horrors and contradictions, in the service of science, but distraught by what man's madness is capable of doing with it. Once upon a time there was a dark princess, who believed that it was up to her to atone for the crimes of her parents... Banished for a fault that forever taints his reputation, Arzhur wanders from tavern to field of battle in search of the next contract which will fill his purse. One night, three mysterious old women offer him to regain honor and fortune if he frees the daughter of a neighboring king, held captive in the ruins of an abandoned castle. But Islen is not the damsel in distress that he expected to save. *Darkly She Goes* is an ode to redemption that pits free will against fate, brought to life by two masters of the fantasy genre. By the artist creator of *Howard the Duck*! Featuring appearances of Sitting Bull, G.A. Custer, and Crazy Horse, as well as generous portions of meticulously researched history on every page, the book's art has been lauded as "Tremendous... Beautiful. Each panel and page could easily be a piece of solo art hanging on someone's wall." (STL095235)

PHANTOMS OF THE LOUVRE HC

(W/A/CA) Enki Bilal

Superstar European SF and Fantasy comics artist Enki Bilal revisits the Louvre in twenty-two portraits. He imagines 22 fates of men, women and children whose lives have been affected by a work of art. They haunt the halls of the Louvre. They are long dead, often violently. They are a Roman legionary, a muse, a painter, a German officer. Each, one day, met a painter or a sculptor and was their model. Bilal startlingly brings them back to life. Both a work of Fantasy and a masterful homage, this was presented in a special exhibition in the Louvre in early 2013. (STK637991)

EC COMICS LIVES AGAIN!!!

TRULY, IT IS A DREAM COME TRUE TO WRITE THAT PHRASE ON THE PAGE BEFORE YOU . . . AND WITH IT COMES A NEAR-SACRED BURDEN TO MAKE SURE WE AT ONI PRESS DO JUSTICE TO ONE OF THE MOST SUBVERSIVELY POWERFUL COMIC BOOK INSTITUTIONS EVER WILLED INTO EXISTENCE.

MORE THAN A HALF-CENTURY AGO, EC COMICS—THE HOME OF BRAIN-RATTLING, MILLIONS-SELLING TITLES LIKE **TALES FROM THE CRYPT**, **WEIRD SCIENCE**, **MAD**, **TWO-FISTED TALES**, AND MORE THAT FOREVER REWIRED THE AMERICAN PSYCHE—WAS DECIMATED BY THE RISE OF THE COMICS CODE AUTHORITY IN A FIT OF SELF-INFLICTED PARANOIA AND CENSORSHIP THAT STILL REVERBERATES THROUGH OUR INDUSTRY TODAY.

NOW, EXACTLY 70 YEARS LATER, THE ENTIRE ONI PRESS TEAM—TOGETHER WITH A TRULY STAR-STudded, EXEMPLARY CAST OF CREATIVE TALENTS—IS PROUD TO REKINDLE EC'S FEARLESS FLAME YET AGAIN IN THE NAME OF STORIES THAT TRANSCEND THE NORMAL BOUNDARIES OF COMIC BOOK STORYTELLING TO **SHOCK** AND **FRIGHTEN**, **ENLIGHTEN** AND **ENTERTAIN** IN THE ETERNAL EC TRADITION . . . AND, IN DOING, FORCE THE TIDAL FORCES OF OUR BELEAGUERED CULTURE TO WARP AROUND THEM ONCE MORE.

OVER THE COURSE OF THE COMING SUMMER, YOU WILL SEE THAT INITIATIVE ROAR TO LIFE WITH THE FIRST OFFICIAL EC COMICS TITLES IN MORE THAN 70 YEARS: **EPITAPHS FROM THE ABYSS #1** BEGINNING IN JULY, AND **CRUEL UNIVERSE #1**, BEGINNING IN AUGUST. BOTH ARE ANTHOLOGY SERIES IN THE TRIED-AND-TRUE EC MOLD—BUT THEY'RE NOT A SIMPLE REBOOT OR NOSTALGIA TRIP. IT'S OUR MISSION TO INHABIT THE RELENTLESS INTENSITY AND SCALPEL-LIKE PRECISION OF EC'S PERNICIOUSLY POWERFUL SHORT-FORM STORYTELLING—AS MADE FAMOUS BY THE COMPANY'S ALL-TIME LEGENDARY ROSTER OF VISIONARY TALENTS, INCLUDING WILLIAM M. GAINES, AL FELDSTEIN, JACK DAVIS, JOHNNY CRAIG, HARVEY KURTZMAN, AND SO MANY MORE—FOR THE 21ST CENTURY. THAT MEANS WE WILL FILL THESE PANELS WITH AS MUCH BRAZEN DISMEMBERMENT, ILL INTENT, AND BLOODY RED INK AS THE PAPER THEY'RE PRINTED ON CAN WITHSTAND.

WE'RE BRINGING SOME FRIENDS ALONG, TOO—CREATORS WHO, LIKE US, BELIEVE IT'S NOT ENOUGH TO SIMPLY PAY HOMAGE TO WHAT HAS MADE EC A CENTRAL PILLAR OF COMICS HISTORY, BUT ALSO WANT TO BRING THE COMPANY'S RAW, PULSATING POWER FORWARD TO **INFECT** AND **INCULCATE** AN ENTIRELY NEW GENERATION OF READERS.

IF YOU ARE A LONGTIME EC OBSESSIVE (LIKE US!), WE HOPE YOU'LL FOLLOW US INTO THE FIRE . . . AND WE'RE GONNA DO OUR DAMNEDEST TO MAKE SURE WE EARN YOUR TRUST—AND MAYBE EVEN YOUR PRAISE—WITH THE PLETHORA OF NERVE-RENDING STORIES WE HAVE ON ORDER.

IF YOU HAVE NEVER TRIED AN EC COMIC BEFORE . . . BE WARNED: THESE COMICS LEAVE A MARK, AND WE SURE WON'T BE PULLING ANY PUNCHES.

READ ON, IF YOU DARE.

MARS! MICE! MOTORCYCLES! The next epic chapter of the Nacelleverse starts NOW with an **ALL-NEW, ALL-ADRENALINE ADVENTURE** for the free-wheelin', butt-kickin' animation icons who ride the Red Planet's hardest roads!

Rocketing out of the pages of *NacelleVerse* #0 . . . the '90s cartoon sensation is back in a brand-new comic book series from red-hot writer Melissa Flores (*Mighty Morphin' Power Rangers*, *Spider-Gwen: Smash*) and Eisner Award-nominated artist Francis Portela (*Green Lantern*)! Best friends Throttle, Modo, and Vinnie were just three anthropomorphic, motorcycle-riding mice who called Mars home . . . and were always bad to the bone. But when the ruthless Plutarkians stage a mass invasion to strip their planet of its precious resources, their antiauthoritarian streak is going to turn into a full-blown insurgency. Only the Biker Mice from Mars can prevent the mass destruction of Earth's neighbor . . . and the freedom of our entire solar system may just hang in the balance.

Leading into the upcoming animated series by executive producers Brian Volk-Weiss, Cisco Henson, Matt Kravitsky, and Michael Goodman from the Nacelle Company, Maximum Effort's Ryan Reynolds, George Dewey, Kevin Hill, and Ashley Fox, as well as Fubo's David Gandler and Pamela Duckworth, the summer's most anticipated return revs up the action as a never-before-told chapter of Biker Mice history stands revealed! **MARS WAR** starts now!

Exiled for his crimes, Faceless now calls the wastelands his home—until the good fortune of fate delivers him a mismatched band of fellow travelers who will soon become family . . . if they can survive a suicidal mission into the Hand Planet's class-segregated Finger Cities to restore what lies beneath Faceless's helmet and, with it, his hope in humanity.

Jackson Wilder and his imaginary friend Irwin the Thylacine are having a great day until Jackson is faced with his dad's cooking—Jackson isn't normally a picky eater, but he definitely does not want to eat his dad's mysterious leftover casserole. There's no telling what's in it, and all the foods are touching... Gross! Not only that, his dad breaks the news that it's time for them to move to a smaller apartment. But Jackson doesn't want to move! If he was a wild animal, he could live wherever he wanted and eat whatever he wanted, and nobody would ever tell him otherwise. At least, that's what he thinks until Irwin takes him on an adventure to learn about the hardships wild animals face around the world—quite hairy situations to be sure!

A chance to save those who cannot save themselves. Then one day, the key to Death's Door is stolen, trapping all the ghosts in the land of the living. Since he's the only one who can see them, the spirits rely on Dorian to retrieve the key before it is too late. FREEDOM SHALL PREVAIL GN

(W) Sean Michael Wilson

(A) Keko

Freedom Shall Prevail is the first graphic novel exploring the life and struggle of Abdullah Öcalan, affectionately known as "Apo." Öcalan led the Kurdish freedom struggle as the head of the PKK from its foundation in 1978 until his abduction by the Turkish state in 1999. He has, so far, spent twenty-five years in captivity. In this graphic novel we learn, in his own words, what Öcalan's childhood was like in the partially Kurdish areas of Eastern Turkey and how his political awareness and commitment grew as a student in the late 1960s and early 1970s. Through the personal struggle of Öcalan we also see the terrible devastation that Kurdish people

have suffered and learn about the tumultuous and dramatic history of the relationship between the Kurds and the Turkish state. (STL320766) (C: 0-1-0) SC, 8x10, 160pgs, FC.....\$19.95

Johnny Dynamite, created by Pete Morisi, was a hard-boiled private detective, known as "The Wild Man from Chicago." But always gave as good as he got; he was an experienced and persistent detective taking his cases very personally and killed many of his early foes, claiming they were reaching for a weapon. Myra Benz, who had shot him in the eye, was brazenly killed without any true justification beyond his own sense of justice. PRE-CODE CLASSICS: DAREDEVIL COMICS VOLUME 1 HC

(A) *Don Rico & Various*

Daredevil is a fictional superhero created by Jack Binder. As a child, Bart Hill was witness to his parents' brutal murder. The murderer also branded Bart with a hot iron, leaving a boomerang-shaped scar on the left side of his chest. This traumatic experience left the boy mute. He trained his entire life in the art of the boomerang, eventually becoming a master boomerang marksman. He then donned a costume and took to the streets as the vigilante crime-fighter known as Daredevil. However... for Bart Hill/Daredevil's second appearance showed him able to speak and it was later revealed that his parents were killed while in Australia, with Bart then raised by a tribe of aborigines who taught him the art of using boomerangs. As an adult, he returned to the U.S. and fought crime as Daredevil. Lev Gleason launched Daredevil's own comic with *Daredevil Battles Hitler* #1 (July 1941), in which Daredevil and other Silver Streak heroes fought the German chancellor. It was written and partially drawn by Charles Biro, who in his 16-year run would make the character one of the most acclaimed of the Golden Age. Run-DMC, who were East Coast contemporaries with the Beastie Boys, LL Cool J, and Public Enemy put rap music on the map in a larger, commercial way after the genre was founded in the parks of New York City and brought to life by artists like Grand Master Flash, KRS-ONE, Kool Herc and Rakim. Run-DMC released their debut self-titled LP in 1984 and then became the first hop-hop act to achieve a gold record. Their sophomore release, *King of Rock*, was quickly certified Platinum, making Run-DMC the first to achieve that monumental feat. In more firsts, the group was the first hip-hop act to have its music played on MTV. Their aesthetic was almost as famous as their rhymes. And now the Run-DMC comic book that will sell off the shelves like their albums do so make sure to order this book! (STL320174)

THE GAME MASTER'S BOOK OF MORE RANDOM ENCOUNTERS HC

Featuring plenty of practical places like taverns, inns and alchemist's labs as well as unexpected locations in far-off realms, farther-off planes and even the farthest reaches of the galaxy, *The Game Master's Book of More Random Encounters* is everything readers loved about the first book in the series, but even more! Whether they're assigning a destination following a teleportation mishap, wondering what it would be like to dine at chain restaurant in the Abyss or looking for a simple spot for their players to kick their feet up for a few hours (careful, that coffee table is a realm unto itself), this action-packed tome is the remedy for maladies Game Masters didn't even know they had. THE HISTORY OF

TwoMorrows

The Future of Comics History.

In the early 1990s, John Morrow and his wife Pamela were busy providing advertising and graphic design services to their clients as TwoMorrows Advertising in Raleigh, North Carolina. ("TwoMorrows" is a play on their last name—there's two of them!) Then in early 1994, after hearing of Jack Kirby's death, John (being a lifelong Kirby fan) dug out his Kirby comics and, after spending that Spring re-experiencing what had drawn him to Kirby's work originally, decided to produce a newsletter about "The King of Comics" in his spare time. The result was **THE JACK KIRBY COLLECTOR #1** in September 1994, mailed free to 125 other Kirby fans — and TwoMorrows Publishing was officially born.

The **KIRBY COLLECTOR** quickly morphed into a true magazine with distribution through Diamond (its 30th anniversary issue [#91] was in last month's *PREVIEWS*). Things snowballed into an eventual full line of other magazines: In 1998, Morrow teamed with editor Jon B. Cooke to produce the five-time Eisner Award-winning **COMIC BOOK ARTIST**, followed by the revival of Roy Thomas' 1960s **ALTER EGO** 'zine in 1999 (another Eisner Award-winner for TwoMorrows). In 2004, the company launched

still another Eisner Award-winning magazine, **BACK ISSUE** (edited by Michael Eury), covering comics of the 1970s, '80s, and today, and in 2008 debuted **BRICKJOURNAL** for LEGO enthusiasts. Jon B. Cooke returned to TwoMorrows in 2013 with **COMIC BOOK CREATOR**, and in 2019, they branched out into retro-pop culture with **RETROFAN** (edited by Michael Eury). Now in its 30th year, TwoMorrows is introducing its latest magazine, **CRYPTOLOGY**, for fans of retro-horror comics, films, and toys (the first issue will be in next month's *PREVIEWS*).

In addition, TwoMorrows publishes a line of highly respected and award-winning books. Of course, Jack Kirby-related titles like **KIRBY & LEE: STUF' SAID**, **JACK KIRBY'S DINGBAT LOVE**, and the **BEST OF SIMON & KIRBY'S MAINLINE COMICS** lead the way. But the company's output covers the full spectrum of comics history, from "Companion" books and biographies on **John Severin**, **Dave Cockrum**, **Steve Ditko**, and others; to their **MODERN MASTERS** series on contemporary artists, and their acclaimed **AMERICAN COMIC BOOK CHRONICLES** hardcover series (documenting comics history from the 1940s to the 1990s). Key moments in history are exhaustively covered, like in the new **Expanded Edition** of **COMIC**

BOOK IMPLOSION (chronicling DC Comics' ill-fated 1970s expansion attempt), or their "**MARVEL COMICS IN THE...**" series of books (a new volume on Marvel's *Early 1960s* output ships this summer).

Beyond comics, their pop culture books encompass a wide variety of interests. The 1960s era spawned recent ones by newspaper columnist Mark Voger (**BRITMANIA**, **GROOVY**, and his new tome **ZOWIE!** shipping in July). Horror has slithered to the forefront recently in three "**FROM THE TOMB**" collections (the latest, **IT ROSE FROM THE TOMB**, is now shipping, and its author, Peter Normanton, is editing their new **CRYPTOLOGY** magazine).

Regardless of what time period or genre they cover, TwoMorrows works hard to provide its readers with in-depth coverage of history and creators, with a fun, positive slant, in the most professional manner possible. Since 1994, it's been the future of comics, LEGO®, and pop culture history, with no end in sight. You can learn the company's full history in their anniversary book **THE WORLD OF TWOMORROWS**, available now through *PREVIEWS*!

AMERICAN COMIC BOOK CHRONICLES: 1940-44 HC

It was a time when America's entry into World War II was presaged by the arrival of such patriotic do-gooders as Will Eisner's Uncle Sam, Harry Shorten and Irv Novick's The Shield, and Joe Simon and Jack Kirby's Captain America. It was when teenage culture found expression in a fumbling red-haired high school student named Archie Andrews. But most of all, the first five years of the 1940s was the age of the "packagers" when studios headed by men like Harry A. Chesler, Will Eisner, and Jerry Iger churned out material for a plethora of new comic book companies that published the entire gamut of genres, from funny animal stories to crime tales to jungle sagas to science-fiction adventures. O/A IT ROSE FROM THE TOMB: THE 20TH CENTURY'S BEST HORROR COMICS SC

(W) Various (A) Various

Rising from the depths of history comes an all-new examination of the 20th Century's best horror comics, written by Peter Normanton (editor of *From The Tomb*, the UK's preeminent magazine on the genre). From the pulps and seminal horror comics of the 1940s, through ones they tried to ban in the 1950s, this tome explores how the genre survived the introduction of the Comics Code, before making its terrifying return during the 1960s and 1970s.

Come face-to-face with the early days of ACG's alarming line, every horror comic from June 1953, hypodermic horrors, DC's Gothic romance comics, Marvel's Giant-Size terrors, Skywald and Warren's chillers, and Atlas Seaboard's shocking magazines. The full-color opus exhumes Bernie Wrightson's darkest constructs, plus artwork by Frank Frazetta, Neal Adams, Mike Kaluta, Steve Ditko, Matt Fox, Warren Kremer, Lee Elias, Bill Everett, Russ Heath, The Gurch, and many more! Beginning with his WPA etchings during the 1930s, Mac Raboy struggled to survive the Great Depression and eventually found his way into the comic book sweatshops of America. (A) Antonio Jorge Gonçalves

A blackout leads two teens to discover the intimacy and vulnerability that can only be shared in darkness in *Our Beautiful Darkness*, a fully illustrated YA novella from celebrated Angolan author Ondjaki and illustrator António Jorge Gonçalves. The light goes out suddenly. And in this absence of light, a pair of teenagers bare their souls. Into the warm silence of the night, they share a conversation filled with their stories and dreams... and maybe even a first kiss. Set against the backdrop of the civil war that ravaged Angola in the 1990s, this book weaves the country's history with a teenage boy's family stories. But when a power outage shrouds the neighborhood in darkness, everyday

realities fade away... As the boy and a girl sit talking in the backyard, memory gives way to imagination and vulnerability, and the space between them becomes charged with emotional electricity. (STL320755) (C: 0-1-0)

Despite the years apart, they start interacting like nothing has changed—that is, until Seiji offhandedly remarks that maybe he should try his luck with men, unwittingly restoking the flame Shin has held for him for years!

THE LORD OF THE RINGS™

FRODO BAGGINS WEARS THE ONE RING FOR DIAMOND SELECT TOYS' "INVISIBLE" FIGURE

M-16 ■ Diamond Select Toys

Traveling by byways and paths untrod, Frodo Baggins, adopting the name of "Underhill," and his friends make their way to the town of Bree, intending to meet there with Gandalf the Grey at the inn of the Prancing Pony. But Gandalf had not arrived, and with a sense of gloom the four hobbits huddled at a table and ate a late dinner. Frodo's cousin, Peregrin Took, accidentally revealed Frodo's true identity to other patrons that night, and in an effort to stop him, Frodo plunged forward, tripped, and the One Ring, the very thing he was trying to conceal, flew out of his hand and, miraculously, slipped onto his finger as both Frodo and the Ring fell—and Frodo, to the astonishment of the crowd, vanished!

Diamond Select Toys recreates this iconic moment of Peter Jackson's *Lord of the Rings* films with the *Lord of the Rings: Invisible Frodo Deluxe Action Figure*. Cast in clear plastic, Frodo Baggins features 16 points of articulation and measures 5" tall, in scale with other *Lord of the Rings* Deluxe Figures. Keep Diamond Select Toys' Frodo Baggins figure secret, safe, and far from the clutches of the dark lord Sauron by adding it to your *Lord of the Rings* collection!
